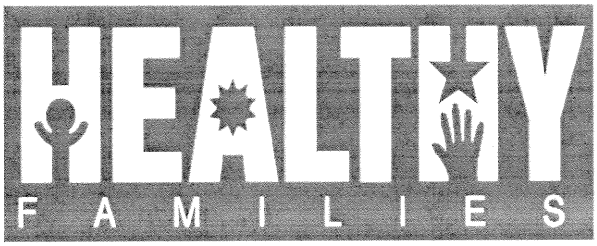
11/19/08 Meeting



Community Provider Plan Designation

- ✓ Highlights from the 2008/09 Community Provider Plan Designation
- ✓ 2008/09 Community Provider Plan Designation by County
- ✓ 2008/09 Community Provider Plan Designation Scoring Detail
- ✓ 2008/09 Community Provider Plan Designation History

This is an update to the CPP designations presented to the Board on October 22, 2008 because of a change to the CPP designation in San Joaquin County.

HEALTHY FAMILIES PROGRAM
COMMUNITY PROVIDER PLAN DESIGNATION
2008-09

The Community Provider Plan (CPP) is the health plan participating in the Healthy Families Program offered at a $3 discount to subscribers. There is a CPP in all 58 counties in California. A plan is designated as the CPP if it has done the best job of including traditional and safety net (T&SN) providers in its network. The CPP designation total score is derived by compiling scores from Child Health and Disability Prevention (CHDP) providers (35% of the total score), clinic providers (45% of the total score), and hospitals (20% of the total score). An audit is required in counties where there is 15.99% or less difference between the highest scores and/or a change in the winner from the prior year.

Community Provider Plan Designation Highlights – 2008/09

1) How many CPP's changed for the new year?

9 counties changed CPP's for the 2008/09 benefit year:

- Colusa – Blue Cross – EPO (Health Net – EPO in 2007/08)
- Del Norte – Blue Shield – EPO (Blue Cross – EPO in 2007/08)
- Kern – Blue Cross – HMO (Kern Family Health Systems in 2007/08)
- Merced – Blue Cross – EPO (Health Plan of San Joaquin in 2007/08)
- Sacramento – Molina (Blue Cross – HMO in 2007/08)
- Solano – Health Net – HMO (Blue Cross – EPO in 2007/08)
- Tulare – Blue Cross – EPO (Health Net – HMO in 2007/08)
- Yolo – Health Net – HMO (Blue Cross – EPO in 2007/08)
- Yuba – Blue Cross – EPO (Health Net – EPO in 2007/08)

2) How many subscribers are enrolled in plans in a county where their health plan is no longer the CPP?

Approximately 29,296 subscribers (33% of enrollment in those counties) are enrolled in plans that will no longer be the CPP. This represents 3.3% of total enrollment for HFP based on August 2008 enrollment figures.

3) How many subscribers are enrolled in plans that will be the new CPP?

Approximately 28,392 subscribers (approximately 3.2% of total enrollment) are enrolled in plans that will be the new CPP.

4) How much participation is there in the CPP process?

- Most HFP plans participate in the process.
- Blue Cross EPO is designated as the CPP in 35 of the 58 counties.

5) Which plans have multiple CPP designations?

Blue Cross – EPO	35 counties
Health Net HMO	4 counties
Central Coast Alliance for Health	2 counties
Health Plan of San Joaquin	2 counties
Inland Empire Health Plan	2 counties

6) How many counties required an audit?

Audits were required in twenty-eight (28) counties. These were counties where two or more plans were within 15.99% of the top score in the county or the CPP changed from the prior year. Plans had the option of competing in an audit. Plans choosing not to participate in an audit relinquished the CPP designation to a competing health plan. In thirteen counties at least one plan opted not to participate in the audit process. Audits occurred in fifteen counties: Colusa, Fresno, Kern, Kings, Madera, Merced, Monterey, Napa, San Diego, San Joaquin, San Luis Obispo, Stanislaus, Tulare, Ventura, and Yuba counties.

7) Which health plans participated in an audit?

Blue Cross – EPO
Blue Cross – HMO
CenCal Health (formerly Santa Barbara Regional Health Authority)
Central Coast Alliance for Health
Community Health Group
Health Net Life – EPO
Health Net – HMO
Health Plan of San Joaquin
Kern Family Health
Ventura County Health Plan
