RE: Recommended Appointment to the HFP Advisory Panel

The MRMIB staff advertised for three HFP Advisory Panel vacancies. The Board received only one application for the licensed, practicing dentist vacancy and no applications were received for the two subscriber vacancies. Staff recommendation is as follows:

Licensed, Practicing Dentist:

Appoint Dr. Martin R. Steigner, a pediatric dentist in private practice who provides dental services to Healthy Families children. He is currently serving as the Immediate Past President of the California Society of Pediatric Dentistry.

Martin Steigner, DDS

Re: Healthy Families Program Advisory Panel Vacancy

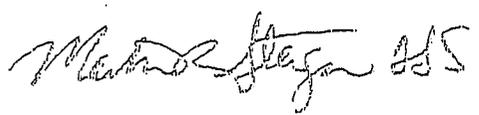

I wish to submit my name to serve on the Healthy Families Program Advisory Panel in the vacant position reserved for a licensed, practicing dentist. I understand Dr. Paul Morris gave notice recently to withdraw his name from consideration to reappointment to the Panel.

I am a trained pediatric dentist in private practice. I have been in Petaluma, California, for over 31 years. I am presently serving as the Immediate Past President of the California Society of Pediatric Dentistry. The Healthy Families Panel has been fortunate, in my humble opinion, to have had Dr. Paul Morris, and Dr. Santos Cortez serve as Panel members for a collective past nine years. My hope would be to serve the families enrolled in the Healthy Families program as well as Drs. Morris and Cortez. That is a "tall order" as I know these gentlemen put their heart into all they do in child advocacy.

Having served on the Board of the California Society of Pediatric Dentistry and having been involved at different levels with the California Dental Association, I understand the difficulties in funding and implementing such a far reaching program. I also know I have a great deal to learn if I am appointed to this Panel. I am willing to take the time and do what it takes to be an effective Panel member.

Please consider me for appointment to the Healthy Families Program Advisory Panel. I will do my best to serve the Program if I am appointed. Please feel free to contact me if you have further questions or concerns.

Sincerely yours,

Martin R. Steigner, DDS

Delivered by facsimile to 916-324-4878

Dear Mr. Allenby and Members of the California Managed Risk Medical Insurance Board:

This letter from the California Dental Association and the California Society of Pediatric Dentistry is written in full support and recommendation of the appointment of Dr. Martin R. Steigner to the Healthy Families Advisory Panel.

Dr. Steigner is a practicing pediatric dentist in Petaluma, California, and a Healthy Families provider, with over 30 years of experience and expertise addressing the oral health needs of California infants and children. He is a member of the American Dental Association, California Dental Association, American Academy of Pediatric Dentistry, California Society of Pediatric Dentistry, and a Diplomat of the American Board of Pediatric Dentistry since 1987. He is well-informed on issues of access to care for traditionally underserved dental populations and understands the framework under which publicly-financed programs operate.

We believe he will provide a positive contribution to the maintenance and development of children's oral health services in the Healthy Families program and, in so doing, able to draw upon the full range of our combined oral health policies, clinical guidelines, and research resources.
