\* Medi-Cal Managed Care: 2005 is the most recent year for which Medi-Cal HEDIS data is available. Comparisons between HFP and Medi-Cal Managed Care are not possible for some plans because Medi-Cal Managed Care plans report data by county.

\*\* Commercial plans: The OPA report card only tracks HEDIS rates are only available for four plans that participate both in the commercial market and HFP.

\*\*\* Combined rate for Health Net HMO & EPO.

^ Average rate for Anthem Blue Cross Medi-Cal Managed Care plans in nine California counties.

^^ Average rate for Health Net Medi-Cal Managed Care plans in eight California counties.

^^^ Average rate for Kaiser Permanente Medi-Cal Managed Care plans in two California counties.

\* 2006 rates reported – rotation measure; used 2005 rates per California Cooperative Healthcare Reporting Initiative (CCHRI).

**Page 15:**

**Observations on the Immunization Combination #2 comparison between the HFP, Medi-Cal Managed Care and commercial plans:**

- Compared to commercial members, HFP members are immunized at higher rates in ~~three~~ two out of four plans.
