

RESOLUTION  
ADOPTION OF EMERGENCY REGULATIONS

The Board finds that the significant underutilization among eligible uninsured Californians of health care insurance programs for individuals who are unable to obtain coverage because of a pre-existing condition calls for the immediate action of adopting the proposed regulation to enhance incentives for outreach and enrollment in the Managed Risk Medical Insurance Program (MRMIP) by increasing the incentive payments to insurance agents and brokers for successful enrollment in the MRMIP. This action is necessary to avoid serious harm to the public, peace, health, safety, or general welfare; and the foregoing constitutes an emergency under Government Code section 11342.545. Therefore, the Board adopts the proposed emergency regulations.
