ADOPTION OF EMERGENCY REGULATIONS

Insurance Code Section 12693.22 provides, in part:

During the 2009-10 and 2010-11 fiscal years, the adoption and readoption of regulations to modify health, dental, and vision benefits or otherwise modify program requirements and operations consistent with the provisions of this part shall be deemed to be an emergency and necessary for the immediate preservation of public peace, health and safety, or general welfare for purposes of Sections 11346.1 and 11349.6 of the Government Code . . .

The Board confirms that the emergency situation addressed by these regulations, which modify program requirements and operations by increasing subscriber premiums, clearly poses such an immediate, serious harm that delaying action to allow notice and public comment provided for in Government Code section 11346.1(a)(2) would be inconsistent with the public interest and hereby adopts the proposed amendment to the Healthy Families Program regulations.
