

MRMIB Will Consider HFP Wait List at June 29, 2009 Meeting

June 19, 2009

Based upon actions taken to date by the Budget Conference Committee of the California Legislature, the Healthy Families Program (HFP) has a projected \$90 million General Fund shortfall (\$270 total fund shortfall) for the coming fiscal year (July 1, 2009-June 30, 2010). At the Managed Risk Medical Insurance Board (MRMIB) meeting on June 17, 2009, staff advised the Board of that potential shortfall and of the possibility that there may be insufficient funds to operate the HFP without limits on new enrollments in the coming fiscal year.

The MRMIB will hold a public meeting on June 29, 2009 to consider whether it must make a finding that there are insufficient funds to cover the estimated program expenditures in the coming fiscal year and that the Board must take action to limit enrollment.
