

**Managed Risk Medical Insurance Board  
Healthy Families Program  
REVISED 2010-11 Community Provider Plan Designation**

---

Each benefit year, MRMIB designates a Community Provider Plan (CPP) in every county in California. The CPP is the health plan participating in the Healthy Families Program (HFP) that has done the best job of including traditional and safety net (T&SN) providers in its network. T&SN providers include Child Health and Disability Prevention Program (CHDP) providers, clinics and hospitals. HFP subscribers who enroll in the CPP receive a \$3 premium discount. The CPP designation is determined through a complex scoring process. A plan's total score is derived by compiling weighted scores from CHDP providers (35% of the total score), clinic providers (45% of the total score), and hospitals (20% of the total score). In counties where the difference between the highest scores is 15.99% or less, MRMIB conducts an audit to verify that the plan indeed has contracts with the T&SN providers claimed in the plan's network. Most HFP health plans participate in the CPP process.

**Audit Participation and Results**

---

For the 2010-11 HFP benefit year, audits were required in sixteen counties. However, in ten of those counties, at least one plan opted not to participate in the audit process or is no longer open to new enrollment in the county. Plans choosing not to participate in the audit relinquish the CPP designation to a competing health plan. A total of five plans participated in audits in the following counties:

- Fresno
- Los Angeles
- Madera
- San Diego
- Santa Clara
- Tulare

As a result of the audits and other coverage area changes, there will be a new CPP in the following nine counties for the 2010-11 benefit year:

- Colusa
- Del Norte
- Fresno
- Lake
- Madera
- Marin
- Merced
- Tehama
- Ventura
